

# Program & Rules 2019 Season

We welcome you to the 2019 Wausau Area Softball Association, Inc., season. We look forward to seeing you all on the fields this summer and hope that if you have any concerns, feedback, or questions, to feel free to contact us. All of WASA's contact information is located at [www.wausauareasoftball.com](http://www.wausauareasoftball.com).

## WASA IMPORTANT DATES

<p>February or Early March</p>	<p><b><i>Annual Membership Meeting</i></b>            Look for announcements in posts on Facebook and notices on our website at <a href="http://www.wausauareasoftball.com">www.wausauareasoftball.com</a>. At this meeting, members elect league representatives for the upcoming year, WASA shares financial status information, rule changes are discussed, and we welcome members to share feedback, suggestions, and concerns to allow for open discussion and possible overall league improvements.</p> <p>The Annual Membership meeting also serves as a season kickoff where Team Entries will be accepted starting on this date. The TEAM ENTRY FORM can be found on our website asks that you provide the Team Name, League/Division requested, Team Manager's Name, address, and phone number, an initial team roster, and the Team Entry Fee payment. Any special requests will be taken in the order they are received.</p>
<p>End of March or Beginning of April</p>	<p><b><i>Team Manager's Meetings</i></b>            Each team manager or a representative of each team should attend. Discussions will include final league alignments, awards for the season, and any other league issues or concerns as they arise.</p>
<p>Last Sunday in April or first Sunday in May</p>	<p><b><i>Team Day</i></b>            This day serves as a supply and schedule distribution day. On this day, schedules and any other new information for the manager is passed out. Team rosters with player signatures and player fees are due. Payment is to be in the form of a check, no cash please. Team Day will be the last meeting scheduled prior to the start of play in May. Players not signed on your team roster can be added throughout the season at the concession stand or through your league director or association officer.</p>
<p>Sunday September 15th 2019</p>	<p><b><i>NEW THIS YEAR!</i></b>  <b><i>Season Finale Membership Meeting</i></b>            This meeting will be a new add for 2019. We have received a lot of feedback from various managers and players that could result in some great program improvements. WASA wanted to create a forum in which all of these ideas can be discussed in detail and work towards some possible changes to be implemented for seasons to come.</p> <p>This meeting would be open to all members similar to the Annual Membership Meeting. The reason we want to plan this meeting for September is because the 2019 season will conclude in August and all of us will be fresh off the season making it an opportune time to share and discuss ideas. We hope to see you all there. Keep an eye open for emails, texts, facebook posts, and/or website posts for announcement of the date for this meeting.</p>

## **CONCESSION STAND**

The concession stand operations help WASA sustain financial soundness along with manager and player participation. Your support is key critical in allowing us as an organization to keep the concession stand open during the season. To encourage your patronage, we try to offer a variety of items on our menu at reasonable prices. Because the concession stand is centrally located at Sunnyvale Park, players and their fans can pick up snacks and refreshments before, during, and/or after games. Any requests or suggestions are welcome and anyone can do so by contacting the concession operator, league directors, and/or the association officers.

We will continue to offer the "Pitcher Special" throughout the season. If you purchase a pitcher of any Pepsi or beer, you will receive a card. Get this card stamped by the concession stand operators every time you purchase a pitcher. After you have collected 7 stamps, your 8<sup>th</sup> pitcher is FREE. This is our way of saying "Thank you" for your patronage and for joining WASA.

**The Sunnyvale Concession Stand is for your convenience.**

**MARATHON COUNTY ordinance restricts CARRY-INS.**

**PLEASE SUPPORT THE WASA CONCESSION STAND during your time out at Sunnyvale.**

**COUNTY ORDINANCE #19.07 PROHIBITS PETS at the softball grounds.**

## **RAINOUTS**

### ***INCLEMENT WEATHER***

In instances of wet ground and/or rainy weather, the designated WASA Official will make the decision as to whether or not the grounds are suitable for play. Team MANAGERS will receive a text message from a WASA Official one hour before each day's scheduled games for RAIN OUT or RAIN DELAYED start times. Rainout information will also be posted on the WASA Facebook page and [www.wausauareasoftball.com](http://www.wausauareasoftball.com) as soon as possible. Delayed starts are possible, so if the weather is questionable, please check with your team manager or online. Once games have started, the umpire will make the determination on the safety of continuation.

### ***RAINOUT RESCHEDULING***

When a game is rained-out, team managers of both affected teams have up to one week to reschedule the game on their own. CHECK THE CURRENT SCHEDULE FOR OPEN TIMES TO RESCHEDULE YOUR RAINED OUT GAMES. The team managers can pinpoint a day and time that will work for both teams and then should contact their league director to confirm suitability of the date and time selected. If not done so, a league director will contact you after a week to reschedule your rained out game. The games can be scheduled for any day of the week, but every effort will be made to play the games on the same night of the normal league.

Games that have not been replayed for any reason as of August 1<sup>st</sup> will be rescheduled as soon as possible with those affecting standings given the priority. Any rainout or other make-up games after August 1<sup>st</sup> will be rescheduled by the league director or WASA Board immediately.

### ***NOTIFICATION OF MAKE-UP GAMES***

These notifications will be posted on the bulletin board at Sunnyvale on a regular basis. Postings of such games will also be made on the website and Facebook page. Direct notification to the team managers will not/may not happen, so it is the team managers' responsibility to keep their teams informed. If a team plans to forfeit a rain make-up game, they must give the league director at least 48-72 hours' notice prior to the game date to avoid a forfeit fee. If it should rain on the make-up game date, then the voluntary forfeit will stand. FORFEIT FEE is \$50.00.

### **TORNADO**

For the safety of all players and fans, EMERGENCY GOVERNMENT & PARKS DEPARTMENT DIRECTIVES will be posted at all times on the bulletin board at Sunnyvale Park and in the Concession Stand. A tornado WATCH puts the public on alert. A tornado WARNING, if accompanied by sirens, will result in ALL ACTIVITY CEASING IMMEDIATELY at Sunnyvale and the Concession Stand will close. Anyone and everyone at Sunnyvale Park during the issuance of a tornado WARNING will be advised to take cover immediately. It is strongly advised that in this situation, you do not leave the park in your car. Please familiarize yourself with the directions for these types of situations. YOUR SAFETY is our #1 concern. When the storm has passed, exercise extreme caution just in case the storm has resulted in downed power lines, shattered glass, splintered wood, and any other dangerous objects that may litter the grounds.

## **GENERAL RULES OF PLAY**

### ***DELAY OF GAME***

The first game of the night will be allowed a 10-minute grace period to make an 8 player team. Subsequent games thereafter shall be ready immediately after conclusion of the preceding game if the game end time surpasses the next scheduled game time.

To prevent delay of game start times, games that reach a league established time limit will be considered complete regardless of number of innings played. If score is tied when the time limit is reached, then the game will continue beyond the time limit until a winner is determined.

Injury Delays – If an injury occurs on the field during play, the umpire will make the determination if the injury is serious enough to allow game stoppage or if the injury is such that the injured player can be removed from the field. Play should continue if the injured player can be removed from the field and a replacement player can be provided. Discretion will be used to allow a reasonable amount of time to offset any delay of this nature.

Rain or Inclement Weather Delays – If games are delayed due to rain, the umpire(s) are required to wait at least 30 minutes unless, prior to the conclusion of 30 minutes, the fields have in their opinion become unplayable as a result of the rain. At that point, the game will be suspended and will continue at a later date from the exact point in which the game was originally suspended. Exception to this rule will be when the home team is leading at the conclusion of 4 ½ innings to which then the game will be considered complete.

For weather related game delays and/or games delayed for other reasons such as light failure, the umpire(s) can delay a game for a maximum of one hour. For any other game delays caused by situations determined to put the players and/or fans in danger, umpires are empowered to suspend the game. Similarly, games will be played from the exact point of the suspension when resumed. Games delayed as a result of a Tornado Warning, when sirens sound at Sunnyvale, are considered suspended games and the same rules apply.

## **FORFEITS**

Other than stated above, no league games may be postponed for any other reason. If conflicts arise for any other reason, games can be rescheduled by submitting minimally a three days' notice to the League Secretary and if the game is played in advance of the originally scheduled game date. The only exception to this rule is if a team has members playing in the WIAA State Tournament. No exceptions to this rule will be granted in the cases for end of the season or playoff games.

If a team decides to forfeit any scheduled league game, they must advise the Secretary in writing at least three days before the scheduled game to eliminate playing a forfeit fee. If sufficient notice is not given, penalties will apply.

The penalty will be \$50.00 per forfeit. If any forfeit fee is not paid before the affected team's next game, the team will be dropped from that league. Fees still due by the conclusion of the season will carry over by that team and/or rostered players to the next season.

Any team who forfeits a game in any tournament will be barred from competing in that tournament the following year, and if a member of one of the WASA leagues, they will also be barred from competing the WASA league the following year. This action is appealable through the WASA Board of Directors.

## **OFFICIAL GAME BALL**

Two game balls will be provided by the scorekeeper at the start of every game, of which, one new and one gently used ball. The home team no longer is required to provide a ball. At the conclusion of the game, both balls will be returned to the scorekeepers to be stored in the scorekeepers box at each field.

## **PRACTICES & WARM-UPS**

Teams are allowed to conduct practices, warm-ups, and/or batting practices prior to games in the OUTFIELD ONLY. There is to be no activity conduct on the infield until the game officially starts.

Teams can also warm-up in the designated areas between the fields. This is to ensure the safety of the fans in the bleachers and other areas.

Pitcher Warm-ups – All slow pitch pitchers in both men and women's leagues will be allowed two warm-ups. Fast pitch pitchers will be allowed three warm-ups. Relief pitchers in slow pitch will receive three warm-ups and fast pitch will receive five warm-ups.

## **LEAGUE RULES**

1. In the WASA league or tournament play, use of bats on the USA softball banned list will not be allowed. The list of banned bats can be viewed on [www.teamusa.org/usa-softball/certified-equipment](http://www.teamusa.org/usa-softball/certified-equipment) . Penalties for violations will be assessed per USA softball rules regarding illegal bats.
2. A division will consist of a minimum of four teams and a maximum of twelve teams. If entries for any division exceed twelve teams, the division will be divided. The league director with the help of the WASA Board will make assignments to divided divisions. Any exceptions must be approved by the WASA Board.
3. Winners will be determined by a win/loss record. Ties will be resolved by Runs Allowed, then Runs Scored, then a coin flip.
4. The official USA Softball Rule Book will govern any area not specifically mentioned in the WASA Rules.
5. The WASA Board may draw additional rules on a year-to-year basis for specific leagues as warranted.

## **MISCELLANEOUS RULES**

Other than the batter on deck, all other players and team equipment must remain in non-game playing areas.

Batters and all players on base must run the bases after a home run is hit, except in Men's 12" Slow Pitch in 2019 for home runs hit over the fence.

Line-ups must be ready and managers are required to exchange line-ups upon request before game time.

Teams must start with a minimum of eight players and not have less than eight players on the field at all times. Any players arriving late must go to the bottom of the batting order. Team line up can expand or contract freely within league limits. No delays are allowed unless a single night add-on must be used to reach the eight player minimum. Those games must be played in their entirety with the eight players.

Casts and other such items with solid or mechanical components must be covered by soft material and taped.

## **ALCOHOL**

Consumption of alcoholic beverages by participants, playing or not, is not permitted during any game. This rule includes those players in the dugout. Players, whether actively playing, subs in the dugout, and/or coaches/managers, and scorekeepers are not permitted to consume or have in their possession any alcoholic beverages at any time in the dugouts, areas adjacent to the dugouts, or in the stands during any game. Umpires will use discretion, but will hold firm to this rules for everyone's safety. Any warnings issued will be reported to the scorekeeper who will record the warning for possible action by the WASA Board of Directors.

## **PARTICIPANT ETIQUETTE & BEHAVIOR**

The goal of every WASA season is to have some fun, friendly, and competitive play, so in order to do so, everyone involved to include the players, managers, coaches, umpires, and fans, need to conduct themselves in a respectful manner to each and every one.

Keep mindful of the following:

1. This is a game.
2. Umpires are human. NOBODY is perfect.
3. Players, Managers, and Fans are here because they enjoy softball.

## **PROFANITY**

WASA has adopted a CASUAL PROFANITY RULE. This rule provides lesser penalty for those situations in which profanity was used in a non-directive manner. These types of violations occur when expletives are not directed at an umpire or opposing team player, but spoken by a player, manager, or coach out of frustration with themselves, a teammate, or a fan.

Penalty for such instances are as follows:

- If the offending team is at bat, the umpire will declare a team out and play will continue.
- If the offending team is on the field, the umpire will declare a team out to be assessed at that team's next at bat.
- It is possible to incur more than one team penalty resulting in multiple outs per inning. In this case, the offending team could come to bat with more than one or two outs as a result, or lose their at bat entirely for an inning.
- Team outs will be treated as delayed dead ball situation.

## **EJECTIONS & SUSPENSIONS**

Unacceptable behavior punishable by ejections and/or suspensions are as follows, but not limited to profanity and fighting.

Players, managers, coaches, and/or scorekeepers for teams that are swearing boisterously, will be ejected from the game if playing, or from any area associated with the team if other than a player.

Imposing a penalty of this nature can be done so without any warning. Anyone ejected leave the field and its surrounding area immediately. This and other ejections will require an umpire's report. Multiple ejections due to profanity during a single season will result in additional penalties:

- SECOND Ejection – two game suspension, umpire's report, WASA Board notification.
- THIRD Ejection – suspension for the season, if this offense occurs after the ninth game of the season, then the player is suspended for the entire next year's season, umpires report, WASA Board notification.

Ejections and suspensions can be the result of other unacceptable behavior by players, managers, coaches, umpires, scorekeepers, and/or fans.

- Fighting between players will result in a suspension for the subsequent two games, carry over into the next season may apply.
- Any altercation that results in the physical contact to umpires will result in suspension from all WASA events and activities for one calendar year from the date of the offense.

WASA considers team managers responsible for the actions of their players and fans. Managers should do everything in their power to address any of their fans who use abusive language and should try to bring a stop to that type of behavior. Umpires can eject fans from the fields if deemed necessary. If any disciplinary action is met with resistance, umpires will file a report to the WASA Board of Directors and the proper measures will be taken to stop this behavior, prevent this behavior in the future, and/or take any necessary further action.

## **ELIGIBILITY RULES & REGULATIONS**

WASA is operated as a non-profit organization, chartered under the laws of the State of Wisconsin. A constitution and by-laws have been adopted and approved by the members of the association. A membership fee is required to play, coach, and/or manager for each team associated with WASA. All non-playing coaches in all divisions of play must pay a \$5.00 membership fee to be allowed to participate in WASA games. Non-playing coaches must be listed as such on the team roster.

**EXCEPTION:** Membership fee for opposite sex coaches in the Women's Slow Pitch League and Men's Slow Pitch Leagues has been eliminated, IF YOU ALREADY HAVE A WASA MEMBERSHIP in another WASA league. They must be listed on the rosters noting that fact.

For players added after the season begins, an add form must be filled out and payment must be made to the Secretary, League Director, or Concession Manager. A three-part form is available for this purpose. The same form is used to drop any member. Exchanges to replace inactive members may be made, but no refund will be allowed and the replacement must pay the full membership fee. If a member is listed on more than one roster within the same league, the team the member plays with first will be the governing factor. **EXPECTATION:** In 12" Men's Slow Pitch and Church Fast Pitch, a member may play on more than one team, see rules to follow.

## **ELIGIBILITY**

Any player is eligible to play in any league provided he or she meets the eligibility requirements described in these rules. A player may play in more than one league by paying an additional membership fee for the league.

WASA leagues include: Men's Fast Pitch, Women's Fast Pitch, Co-Ed 12' Slow Pitch, Men's 12" Slow Pitch, Men's Masters and Grand Masters, Women's 11" Slow Pitch, Modified Pitch all open play.

Men's 12" Slow Pitch players playing on more than one night are subject to the following rules:

1. A player may not play on more than one team in the same division or on the same day.
2. The league director will have the final decision to deny any roster addition if it would result in a change of the classification of the team.
3. The standard add/drop slip should be used to add players to any roster. Payment of the full league membership fee is required for each additional team.

A member must be at least 14 years of age to participate in WASA leagues, except special youth divisions. A parental signature on each roster is required for any player under the age of 18. Grand Masters, 45 and older members are eligible to play in the year they reach the required age, not the exact date of their birthday.

## **UNPAID MEMBERSHIP**

Any team found to have a player playing without a paid membership for that division in the Wausau Area Softball Association will forfeit that game. The forfeit fee of \$50.00 per game will not be waived. This infraction must be brought to the attention of the umpires in the form of a protest during the game (by rule no protest can be filed once a game has ended. See USA Softball rule 9). At the time of the protest, the umpires will request verification of identity, a driver's license or picture ID, and proof of paid membership, roster or add on slip. It is the responsibility of each player to verify his or her identity and it is the responsibility of the manager to have verification of paid memberships for each team member. If the player in question cannot verify his or her identity, the game shall not continue and be deemed a forfeit. The game will continue under protest if the identity of the player in question is verified but no proof of paid membership is available. The umpires will note the player's name and give this information to the scorekeeper to be forwarded to the League Director for review by the officers of the Association.

Violations of membership rules can result in forfeits of affected games.

New players may be added at any time up to roster maximum, but cannot be added for playoffs. The League Director will have the final decision to deny any roster addition if it would result in a change to the classification of that team. Violations could also result in a forfeit.

If this player(s) is an existing WASA member, this player MUST BE from another division of play, and cannot play on any other team on the same night and same type of play as the for which he or she are substituting. For example, a Sunday slow pitch player cannot play on another Sunday slow pitch team. The regular add/drop form is to be used and you can get these in each score box. A team that starts a game with 8, or 9 players must continue and/or end with a maximum of 8 or 9 players. In Church League or Fast Pitch, no pitchers may be added.
